modular bench seating

stilts

stilts

a modular bench collection designed for flexibility & style- stilts can be easily configured and are available in a range of standard models that can also be customized on a project basis

stilts wave

stilts wave

the stilts wave bench system is an extension of the stilts collection adding curves and a touch of flavour to the cool rectilinear lines of the standards stilts products- create a wave with stilts!

stilts & stilts wave overview

- choose from a range of standard models (as illustrated above)
- select from full upholstered seat or lower wood accent ('w' units)
- base/ leg options include: nickel angled 'pisa' leg, nickel 'pillar' leg and optional wood tapered legs
 - wave units can be configured to create a multitude of wave formations or can be combined to create a full 8 section circle
 - available with optional ganging plates
- ideal for reception, school, restaurant, open plan and for collaboration in the workplace
